From The Ashes

Author's Notes:

No necrophilia just a little sappy yet therapeutic Mike/Sean release. Obviously from Sean's POV

Loving Mike is only a sin because I was tempted. Sex appeal combined with talent. He was my seducer. Born and bred in Hawaii, he was a true golden boy. Before the drugs, his intentions were good, but heroin has a tendency to make anyone misunderstood. His coarse curls, however, could draw masses to their knees. His lithe, caramel body and dark brown eyes sure turned me in to a truly submissive partner. He had me in the palm of his hand. Nevertheless, he had access to limitless drugs. He set me free and indulged in a little *freedom* himself.
